

General: We are committed to protecting your privacy. By using our website, you consent to the data practices described in this statement.

Your website: If we require access to your Joomla! website or web-based control panels to solve a support related issue... all information you provide to access your website will be kept in strict confidence.

Personal Information: In the course of your interaction with our website, we may collect both personally identifiable information, such as your e-mail address, name, home or work address or telephone number and anonymous demographic information, which is not unique to you, such as your ZIP code, age, gender, preferences, interests and favorites.

We may also collect information about your computer hardware and software such as your IP address, browser type, domain names, access times and referring Web site addresses. This information is used to provide us with general statistics regarding the use of our web site. It is not shared with anyone else.

Forum Posts: In the event that we provide and you use a forum on this website, any information left by you on message boards is considered public information, and may be collected and used by others outside of our control. We do not and are not able to monitor this activity, so be very careful about not posting any personal information (or sensitive information like usernames and passwords) that you wouldn't want to share publicly.

Third Parties: We do not sell, rent or lease ANY of your information to third parties. We WILL disclose your personal information, without notice, only if required to do so by law or if we feel such action is necessary to protect and defend our own rights or property.

Contact: We welcome your comments regarding any of our policies. Please submit a support ticket at <http://support.vizimetrics.com>
